Dear Terry and Michelle:

Both CityEvents and Gatherings Event Planning would like to thank you for your participation as a vendor at the FastLane “in the community” at Kultura on April 13th 2010. As a result of your contribution, FastLane was a tremendous success with 90 in attendance at the event.

The event achieved its goal of pairing young urban professionals from various industries together, to help establish unique professional relationships. Attendees enjoyed making connections in a fresh way while mingling in an inviting setting. The music gave a great vibe to the event and made everything flow well.

Having an interactive accessory advisor such as you, was fully appreciated and helped make FastLane a unique and memorable experience. For event coverage, please go to www.fastlaneevents.ca to view the great photographs that were taken throughout the evening.

As a result of the positive response from our attendees, CityEvents and Gatherings Event Planning would like to offer you the opportunity of participating in future monthly FastLane events, scheduled for 2010.

Once again, we would like to thank Scotia Entertainment for participating in April’s FastLane networking event, and look forward to working with you in the near future.

Sincerely,

Aafia Syed
