## TOP 10 REASONS TO HIRE A SCOTIA ENTERTAINMENT DJ

1. **Personalized Service** – Personal touch is the key to a successful business. We prefer telephone and in person meetings with our clients! We don't run an exclusively online planning process.
2. **Experienced** – Our DJ's are experienced in beat mixing and know how to read a crowd. Music should be seamless and flow to keep your guests on the dancefloor.
3. **Professional** – Our DJ's are required to wear a dark suit and be neat in appearance.
4. **Punctual** – We guarantee our arrival and set up before your guests arrive.
5. **Competitive Pricing** – We offer the most competitive pricing in the GTA.
6. **Available** – We're never too busy for you!
7. **Extensive Music Library** – Our DJ's arrive prepared with an extensive licensed digital music library. We play all of your requests and also have a "do not play" list option for songs you may not want to hear.
8. **Meticulous** – We take pride in our work and guarantee neat and professional set up.
9. **Recommended** – Scotia Entertainment associates with only the best vendors! We are regarded highly by our partners.
10. **We Care** – At Scotia Entertainment we take pride in providing the very best entertainment to our clients! We'll stay in touch after your event. Feedback is always welcome!
